SETTING THE STANDARD FOR SERVICE

FOREWARNED, FOREARMED;
TO BE PREPARED IS HALF THE VICTORY.

— MIGUEL DE CERVANTES

WORKING WITH US

There are numerous reasons why our clients work with us. Maybe we could say that it is because The Cervantes Group draws from unparalleled resources and has expertise to offer innovative and quality workforce solutions. Maybe the reason is that The Cervantes Group provides an overall superb value with extremely fast and reliable results. One aspect is certain, The Cervantes Group provides top candidates with a broad range of skills in the IT industry and does it – The First Time.

Human Resources can be challenging enough, why complicate matters even more with hiring hard-to-find-skill sets and under aggressive timetables. The Cervantes Group's mission has been to keep up with these ever-changing challenges, defining and solving specific technical staffing or direct placement needs, whereby allowing our customers the time and freedom to do what they do best; to focus on their core business.

METTING BUSINESS NEEDS

Beyond technology programming codes, systems design and web development, The Cervantes Group is made of a team dedicated to work together to create solutions that meet today's business needs and ever-changing demands. The Cervantes Group's success in creating a recognized presence and reputation has been demonstrated by the team's experience in the industry with diverse and unique talents. This human capital lies at the heart of The Cervantes Group team's ability to create and manage business synergies for over a decade.

The Cervantes Group is known as a "niche" technology staffing and recruitment partner that specializes in providing Executive Management and Technology Professionals. We currently serve businesses in the major metropolitan markets of Chicago, Miami, San Juan and Seattle. The Cervantes Group management team has a wide range of expertise in IT Business Development with many large Banking, Insurance, High-Technology, Manufacturing, and Telecommunications corporations. However, all this experience is closely tied to great people -both our customers and our employees have been the reasons for our success and rapid growth and the key to our future.

CORE COMPETENCES

The Cervantes Group offers flexible solutions on a technology project basis and "hard-to-find" technology professional skill sets.
